WESTCHESTER BIBLE CHURCH

## About **NEXT GEN**

### OUR MISSION

Next Gen Youth Conference 2017 is a fun and Christ-centered weekend conference for students (grades 7-12th) and their youth leaders. Our goal is to connect students from different Churches and to assist Church leaders in training the next generation for a lifetime of ministry.

### MINISTRY TRAINING AREAS

Ministry Training Areas are your opportunity to prepare an artistic or scholarly ministry presentation and have it evaluated by a panel of people who have experience in that area of ministry. The evaluators will take time to listen to you present your event and then will give you constructive help to assist you in making your presentation the very best it can be for the glory of God!
